

## **CONGRESSMAN JIM COSTA**

### **Invites you to a Diabetes Press Conference and Roundtable**

You are cordially invited to attend a legislative press conference and roundtable discussion with Congressman Jim Costa to discuss diabetes in the Central Valley. As we know, the Central Valley struggles with high rates of diabetes among our residents. Recently, the House Committee on Oversight and Reform released a report entitled “Prices of Diabetes Drugs for Seniors and the Uninsured in the United States and Abroad”, with a focus on the 16<sup>th</sup> Congressional District. Congressman Costa would like to share the details of the report and discuss the needs of diabetes patients and their families. As leaders in the effort to build a healthier Central Valley, it is important to have an open dialogue in order for Congressman Costa to best represent our unique interests in Washington D.C.

Thursday, August 29, 2019

2:00 PM – 3:00 PM

Clinica Sierra Vista (Elm Dental Building)

2756 S. Elm Avenue, Fresno, CA 93706
