

# LIVING WITH DIABETES

A **FREE** INFORMATIONAL SEMINAR LED BY **VARSHA BABU, M.D.**

**WEDNESDAY, OCTOBER 16<sup>TH</sup> • 6 PM**

UCSF FRESNO AUDITORIUM

CORNER OF FRESNO AND DIVISADERO IN **DOWNTOWN FRESNO**

In Fresno County, nearly 50 percent of residents have pre-diabetes or undiagnosed diabetes. Understanding this disease, as well as how to identify or even prevent it, can be hard.

Join us as we answer some of today's most common questions about how to live with diabetes.
